# João Pedro de Almeida

**19 years old**

**FullStack Developer**

**joaopedra2707@gmail.com**

**(UK) +44 7523 969244**

## Education

**Software Engineering | 42 London (In progress, 2025 - 2030)**

## Experience

**2023 - 2024 | FullStack Developer – Financial Management Startup**

- Developed a web application using Next.js and TypeScript, prioritizing performance, scalability, and best practices
- Created responsive and modern user interfaces with Tailwind CSS, ensuring consistent visual experience
- Managed data with MongoDB, structuring secure models to store sensitive financial information
- Implemented financial dashboards, interactive charts, expense/income control, and automated reports
- Collaborated with a multidisciplinary team on architecture decisions, roadmap planning, and continuous product improvement

**2019 – 2022 | Front-End Developer & Designer – GTA RP Project (FiveM)**

- Created and maintained custom scripts using Lua, JavaScript, and React.js to enhance gameplay and user experience
- Managed databases with HeidiSQL, ensuring stability and performance in an online environment
- Designed custom textures (clothing and vehicles), maintaining the project's visual identity
- Developed landing pages and e-commerce platforms focused on UI/UX and performance

## Qualifications

- Hands-on experience in front-end development with HTML5, CSS3, JavaScript (ES6+), and TypeScript
- Proficient in React.js and Next.js for building modern, scalable, and responsive applications
- Experience with version control using Git and GitHub in collaborative projects
- Developed landing pages, admin panels, and e-commerce platforms integrating REST APIs and Firebase
- Familiar with interface design in Figma, following strong UI/UX principles

## Skills

- Fast learner with strong problem-solving and creative thinking abilities
- Clear and efficient communication
- Analytical and structured thinking with a focus on logical clarity and effective problem resolution

## Languages

- English: Intermediate/Advanced
- Portuguese: Native/Fluent
